

TRAIN DROPS THROUGH A BURNING BRIDGE

Engine, Baggage and Mail Cars
Go Down, but the Passen-
gers Escape.

SPOKANE, Wash., Aug. 21.—Series of injuries Engineer Gillette and a mail clerk, the engine and the baggage and mail cars of the south bound Spokane Falls & Northern passenger train plunged today through a burning trestle two miles south of Dart's Siding. The rest of the train remained on the track.

The accident occurred while the train was rounding a curve. Smoke from brush fires prevented the engineer seeing the bridge was on fire until too late to stop the train. The engine ran clear across before the bridge broke, letting the baggage and mail cars drop into the ravine.

The weight of the cars dragged the engine back and down, but fortunately the coupling connecting the car with the rest of the train broke, leaving the two passenger cars standing on the track above.

All the passengers escaped safely, but the baggage wreck communicated to the cars still on the track and all the coaches were burned.

Latest reports state that Engineer Gillette is not dead, but sustaining injuries about the head, Mark Hanna was the conductor of the train but escaped injury.

LIFE OF A PIMPLE

Complexions are Cleared and Pimples Disappear Overnight Without Trouble

The dispensers of poslam, a new skin discovery, ask that notice be given that no one is urged to purchase it without first obtaining an experimental package. Everyone who has tried it knows that the fifty-cent box, on sale at the E. J. Hill Drug Co., and all drug stores, is sufficient to cure the worst cases of eczema, where the surface affected is not too large. The itching ceases on first application. It will also cure acne, tetter, blotches, scaly scalp, itches, barber's and every other form of itch, including itching feet. Being flesh-colored and containing no grease, the presence of poslam on exposed surfaces, such as the face and hands, is not perceptible. Water and soap cannot be used in connection with it, as these irritate and prolong skin troubles, sometimes even causing them.

As to the experimental package of poslam, it can be had free of charge by mail of the Emergency Laboratories, 32 West Twenty-fifth street, New York. It alone is sufficient to clear the complexion overnight, and to rid the face of pimples in twenty-four hours.

POLICE COURT CASES

A. J. McCarthy, who was picked up in a wounded and drunken condition Friday night by Patrolman Carlburg and taken to the emergency hospital, appeared in police court Saturday morning with his head bound up in bandages and pleaded guilty to the charge of being drunk. He was told to go and not come back.

The case of Joseph Shepard, charged with having battered the person of H. Harbican, will be heard on August 24.

When the city called its witnesses in the case against Mrs. Louis M. Renault, what promised for a few moments to be a lively trial started. Mrs. Renault was charged with disturbing the peace. After two of the witnesses for the city had been called and had given their testimony, the court dismissed the case for lack of evidence.

After a trial which lasted for a very few minutes, George Zeiss was found guilty of indecent conduct and was fined \$25 or twenty-five days in jail. The attorney for Zeiss attempted to prove that the man was only drunk, but the court would not excuse his conduct even in that case and assessed the fine.

E. A. Tracy was charged with having committed a battery on P. J. Pakson. After he had entered a plea of not guilty to the charge his trial was fixed for September 8.

Recipe That Cures Weak Men---FREE

Send Name and Address Today---You Can Have It Free and Be Strong and Vigorous.

I have in my possession a prescription for nervous debility, lack of vigor, weakened manhood, failing memory and loss of back, brought on by excesses, unnatural drains or the follies of youth, that has cured so many worn and nervous men, right in their own homes---without any additional help or medicine---that I think every man who wishes to regain his manly power and virility, quickly and quietly, should have a copy. So I have determined to send a copy of the prescription, free of charge, in a plain, ordinary sealed envelope, to any man who will write me for it.

This prescription comes from a physician who has made a special study of men, and I am convinced it is the surest-acting combination for the cure of deficient manhood and vigor---failure ever put together.

I think I owe it to my fellow man to send them a copy in confidence, so that any man, anywhere, who is weak and discouraged with repeated failures, may stop dragging himself with harmful patent medicines, secure what I believe, is the quickest-acting, restorative, upbuilding, SPOT-TOUCHING remedy ever devised, and so cure himself at home quickly and quietly. Just drop me a line like this: Dr. A. Robinson, 1897 Luck and Detroit, Mich., and I will send you a copy of this splendid envelope, in a plain, ordinary sealed envelope, free of charge.
